REPAIR FORM

Title

First Name

Last Name

Email Address

Postal Address

Post Code

Contact Telephone Number

Brand of pen

Model of pen (if known)

Age of pen

Type Fountain Ballpoint Rollerball Pencil

Description of Fault or Problem

Please note that, by sending your pen for repair/servicing, you are accepting our £10 handling fee. Your warranty booklet, dated and stamped, must be included with your repair if you feel the fault is a manufacturing defect, which should be covered by the manufacturer's guarantee.

You will be contacted by a member of the GBA team with a quotation, if applicable. Should you reject the quotation, the £10 handling fee will still apply.

Please do not send any money in advance of a repair, as any charges will be requested when the repair has been carried out, and before the pen is returned to you.
